## **Job Title**

Property Maintenance

## **Location**

Scotland, United Kingdom

## **Job Type**

Full-Time, Work On-site, including some UK travel

## **About Us**

Kestrel Assets Limited, which is owned by Mayside Partners Limited, is a premier property management company specialising in luxury estates and properties across Scotland. We are dedicated to providing the highest level of service and care for our prestigious properties. Working within the Property Maintenance department with our Kestrel and Stroggilo teams, you will play a key role in ensuring the smooth and efficient management of a private estate in Scotland, along with oversight of other properties under our management.

## **Job Summary**

In the position of Property Maintenance, which is a junior position to the Property Manager, you will be responsible for the maintenance of a private estate located in Scotland. In addition to this primary responsibility, you will also oversee and coordinate the management of other properties under our care. This position combines elements of property management, estate management, and client service to ensure that all properties meet the highest standards of quality and service, albeit under the supervision of the Property Manager.

## **Key Responsibilities**
